

Please fill in the form directly on the screen, print, sign and send it to us.

Cancellation of Domain Name with .SE

This form is used to cancel your domain name(s) at .SE. Please note that this form should not be used to assign you domain name to another (legal or natural) person. Such an assignment must always be carried out through one of .SE's registrars. For a list of registrars, please see <http://www.iis.se/domains/registerdomain/resellers>

In order to ensure that you are using the right data, please check against the information which is already registered to your domain name. You can search for this information at: <http://www.iis.se> (Contact-ID = holder)

Signing this form, I hereby cancel my domain name (below) at .SE and I request the name to be immediately deactivated.

*Please note that all fields marked * must be filled in.*

* Domain name:	
* Registrant (name or company name):	
* Company code or personal ID number:	
* Registrant's contact ID (holder):	
* Signature of registrant (authorised signatory or equivalent):	
* Clarification of signature:	
* City and date:	
* Telephone:	
Fax:	

Please fax, scan in and e-mail, or post the signed form to .SE at fax: +46 8 452 35 02, info@iis.se or as a letter to .SE (The Internet Infrastructure Foundation), PO Box 7399, SE-103 91 Stockholm, Sweden. Please, do not hesitate to contact our customer services on +46 8 452 35 00, should you have any other questions.

Kind regards,

Customer Services
